MEMORANDUM FOR: (See Distribution)

FROM:

[redacted]
Director, Foreign Broadcast Information ServiceSUBJECT: Commendation - Roundup of Foreign Reaction to TWA
Hijacking

This is to commend the Wire Services Staff and the Analysis Group for the prompt and comprehensive response Friday night and Saturday (28-29 June) to the request, received via INR, for a roundup of foreign reaction to the TWA hijacking. The material was for Vice President Bush and Secretary Shultz. Special mention goes to [redacted] for rapid organization of the response. All of those listed below are commended for their contributions to the production and handling of this excellent report which provided important information to the highest levels of government at a critical time in the hijacking crisis.
